THE PROGRAM

Leadership Clayton provides a valuable inside look at the Clayton business community through one-on-one interaction with key leaders in government, businesses and other civic organizations. Participants will create and implement a project to benefit the community.

The introductory session on October 18, 2019 includes a tour of Clayton and lunch with Clayton Mayor Michelle Harris. Half-day sessions will then take place the first Tuesday of the month November through May (excluding December).

Leadership Clayton highlights the roles of business, education and civic leaders in Clayton. The Class also examines Clayton's regional and national impact. It aims to strengthen participants' sense of community, and to encourage them to assume leadership roles in community affairs.

TOPICS

City Government, Criminal Justice and County Government, Clayton's National Impact, Regionalism, Small Business and Entrepreneurs, Large Business and Corporations, Not-for-Profit Organizations, and Personal Development.
