

MASK-UERADE WINE CHOICES

OFFERED BY THE WINE MERCHANT

2018 Domaine de Pouy, Cotes de Gascogne

This whole cluster pressed blend of 76% Ugni Blanc, 20% Colombard, and 4% Gros Manseng is all about crisp, fruity fun and freshness. Aromas of key limes, ruby red grapefruit and fresh flowers and herbs jump from the glass of this light-bodied, stainless steel fermented beauty. The new vintage is a real lip smacker!

2019 Perla Rosado, Campo de Borja

Ripe red berry and floral qualities on the nose and in the mouth. Juicy and seamless in texture. Over-delivering and showing a tiny streak of mineral, tannin and a late touch of white pepper that adds spicy bite. This yummy rosé of Garnacha is refreshing and delicious!

2016 Gen5 "Ancestral Red," Lodi

This wine is a crowd-pleasing smash hit! We'd compare this to blends at twice the price. Lush, dark, and bold with big flavors of blackberry pie and black cherries, dark chocolate, and baking spices. It's silky and full bodied, with rich dark fruit flavors, creamy texture, and velvety finish. This wine is a blend of five grapes this region has become famous for--Zinfandel, Petite Sirah, Cabernet Sauvignon, Malbec, and Merlot--as an homage to the fifth generation of this winemaking family (like the name Gen5).
